Education

University of Chicago - B.A. in Economics, B.S. in Computer Science

Expected May 2026

GPA: 3.71

Relevant Coursework: Financial Accounting, Microeconomics, Data Structures and the Fundamentals of Computing, Advanced Programming Techniques in Java

Relevant Experience

TRACT

Back-End Software Engineering Intern

December 2022 - August 2023

- Developed a Social Media Analysis system, which increased the efficiency of the company's social media due diligence process by over 90%
- System utilized official APIs from Twitter, Instagram, Facebook, LinkedIn and Youtube, as well as Machine Learning Models to detect the sentiment of posts
- Managed a team of 6 software developers, conducting code reviews and communicating the CEO's vision
- Coordinated with teams company-wide to integrate social media system into the universal software platform and introduced the software to 50+ team members

White Plains Hospital

Data Analytics Intern

June 2022 - August 2022

- Developed a data analytics platform using Python for the discharge department of the hospital, allowing the hospital to easily input and analyze secure patient data on their local computers, saving the department an estimated 6.5 hours per week
- Supported the healthcare team by directly interfacing with patients to arrange physical therapy, cater for their needs, and aid with outpatient discharge

Pershing Square Capital Management

Capital Management Intern and Mentee

August 2020 - January 2021

- Assisted with the largest SPAC in history (NYSE: PSTH, \$4B)
- Researched the music production industry to support the due diligence process in finding the target company and interpreting its financials
- Completed a mentorship with accomplished hedge fund manager Bill Ackman through monthly meetings where I presented key findings of research to the CEO and other team members

Clear Harbor Wealth Management

Wealth Management Intern

July 2020 - August 2020

- Wrote eight reports covering industry and company-specific topics, and subsequently provided my findings to the CEO
- Areas of research focus included Insurance, Travel, Commercial Banking and Consumer Technology as well as specific companies including BKNG, VRSK, SNAP
- Participated in weekly calls with the CEO to discuss the state of the market and financial subjects
