

ARON FRISHBERG

CS STUDENT

CAREER OVERVIEW

I am a freshman at Brandeis University, where I am dual majoring in Computer Science and Economics. I work on a lot of coding projects in my free time and I'm always eager to learn more. I also have significant experience in Finance, where I learned to collaborate with others and work in a professional environment.

LANGUAGE COMPETENCIES

- Web Suite (JS, HTML5, CSS3) - Very Experienced
- Python (as well as libraries) - Very Experienced
- Java - Experienced

WORK SUMMARY

Web Developer

Capstone Properties | Jun 2018 - Aug 2018

- Developed, and continue to update, the website for a mid-size real estate firm in Connecticut
- Worked with management to meet specifications and desires

Intern

Clear Harbor Asset Management | Jul 2020 - Aug 2020

- Had weekly calls with the CEO to discuss the state of the market and learn about financial subjects
- Conducted research and created financial reports about a wide variety of companies and sectors that were used company-wide

Intern and Mentee

Pershing Square Capital Management | Aug 2020 - Jan 2021

- Had a one-on-one mentorship with Bill Ackman, who is considered to be one of the greatest hedgefund managers of all time
- Conducted research for the largest SPAC in history, researching the music production industry (PSTH, \$4B)
- After doing week long research projects, I would present it to Bill, as well as other members of the team, and discuss what I had found

ACADEMIC BACKGROUND

Brandeis University

Bachelor of Science | Aug 2022 - May 2026

- Currently taking advanced Java programming classes as well as Financial Accounting and Microeconomics
- Dual majoring in Computer Science and Economics

ACCOMPLISHMENTS

- Featured in news for creating Spider-man wall climbing equipment
- Founder and President of the Jewish Culture Club at Scarsdale High School
- Board of Volunteers member at White Plains Hospital
- Created a free grocery delivery service for at-risk people during the peak of the pandemic
- Started a program to teach children how to code, and raised \$1400 for several charities
