Dear Aron:

On behalf of the Admission Committee, it is my pleasure to offer you admission as a first-year student to Bentley University for Fall 2022. Congratulations!

In recognition of your academic achievements, you have been selected to receive the Dean's Scholarship. As a recipient of this scholarship, you will receive **\$15,000** per full academic year. In total, you are eligible for up to **\$60,000** in scholarship funds providing you maintain a cumulative GPA of at least **3.00**.

Scholarships and awards offered through the admission process can be renewed up to eight semesters as long as you are pursuing your first bachelor's degree and are enrolled full-time (12-18 credit hours). Your award may be used only during the traditional academic year. By submitting your enrollment deposit, you are accepting these terms. If you have completed an application for need-based financial aid, the Office of Financial Assistance will determine if you have eligibility for aid in addition to your scholarship. A financial aid award letter will be sent to you separately. If you have any questions regarding financial aid, please contact the Office of Financial Assistance at +1 781-891-3441 or toll-free at +1 877-362-2216.

Your official admission packet will be mailed to you shortly. Inside, you will find important information about the next steps to secure your place in the class. Please submit your [reply to offer of admission form](#) and non-refundable enrollment deposit of \$500, along with the non-refundable \$500 housing deposit (if applicable), no later than **May 01, 2022**. Your deposit is a commitment indicating that you will attend Bentley beginning in Fall 2022. This offer of admission is made on the condition that you complete your current term of studies, earn grades consistent with your academic record, and maintain solid citizenship in your school and community.

Visit the Bentley [Admitted Student website](#) to learn more about enrolling and continue to check your [BentleyConnect](#) portal for important information regarding your transition to the university. At Bentley, you will have the opportunity to learn and grow at a university where you can pursue your passions and prepare for a successful career and life. Again, congratulations, and we look forward to seeing you soon.

Sincerely,

Donna M. Kendall
